Elevated farm land layout

It is a 117 acre elevated area from where far off surroundings can be seen while breathing fresh air from plenty of trees and plants. Each plot has two-sides roads (East & west) with over 50 fruit bearing and other plants. one model farmhouse is already built.

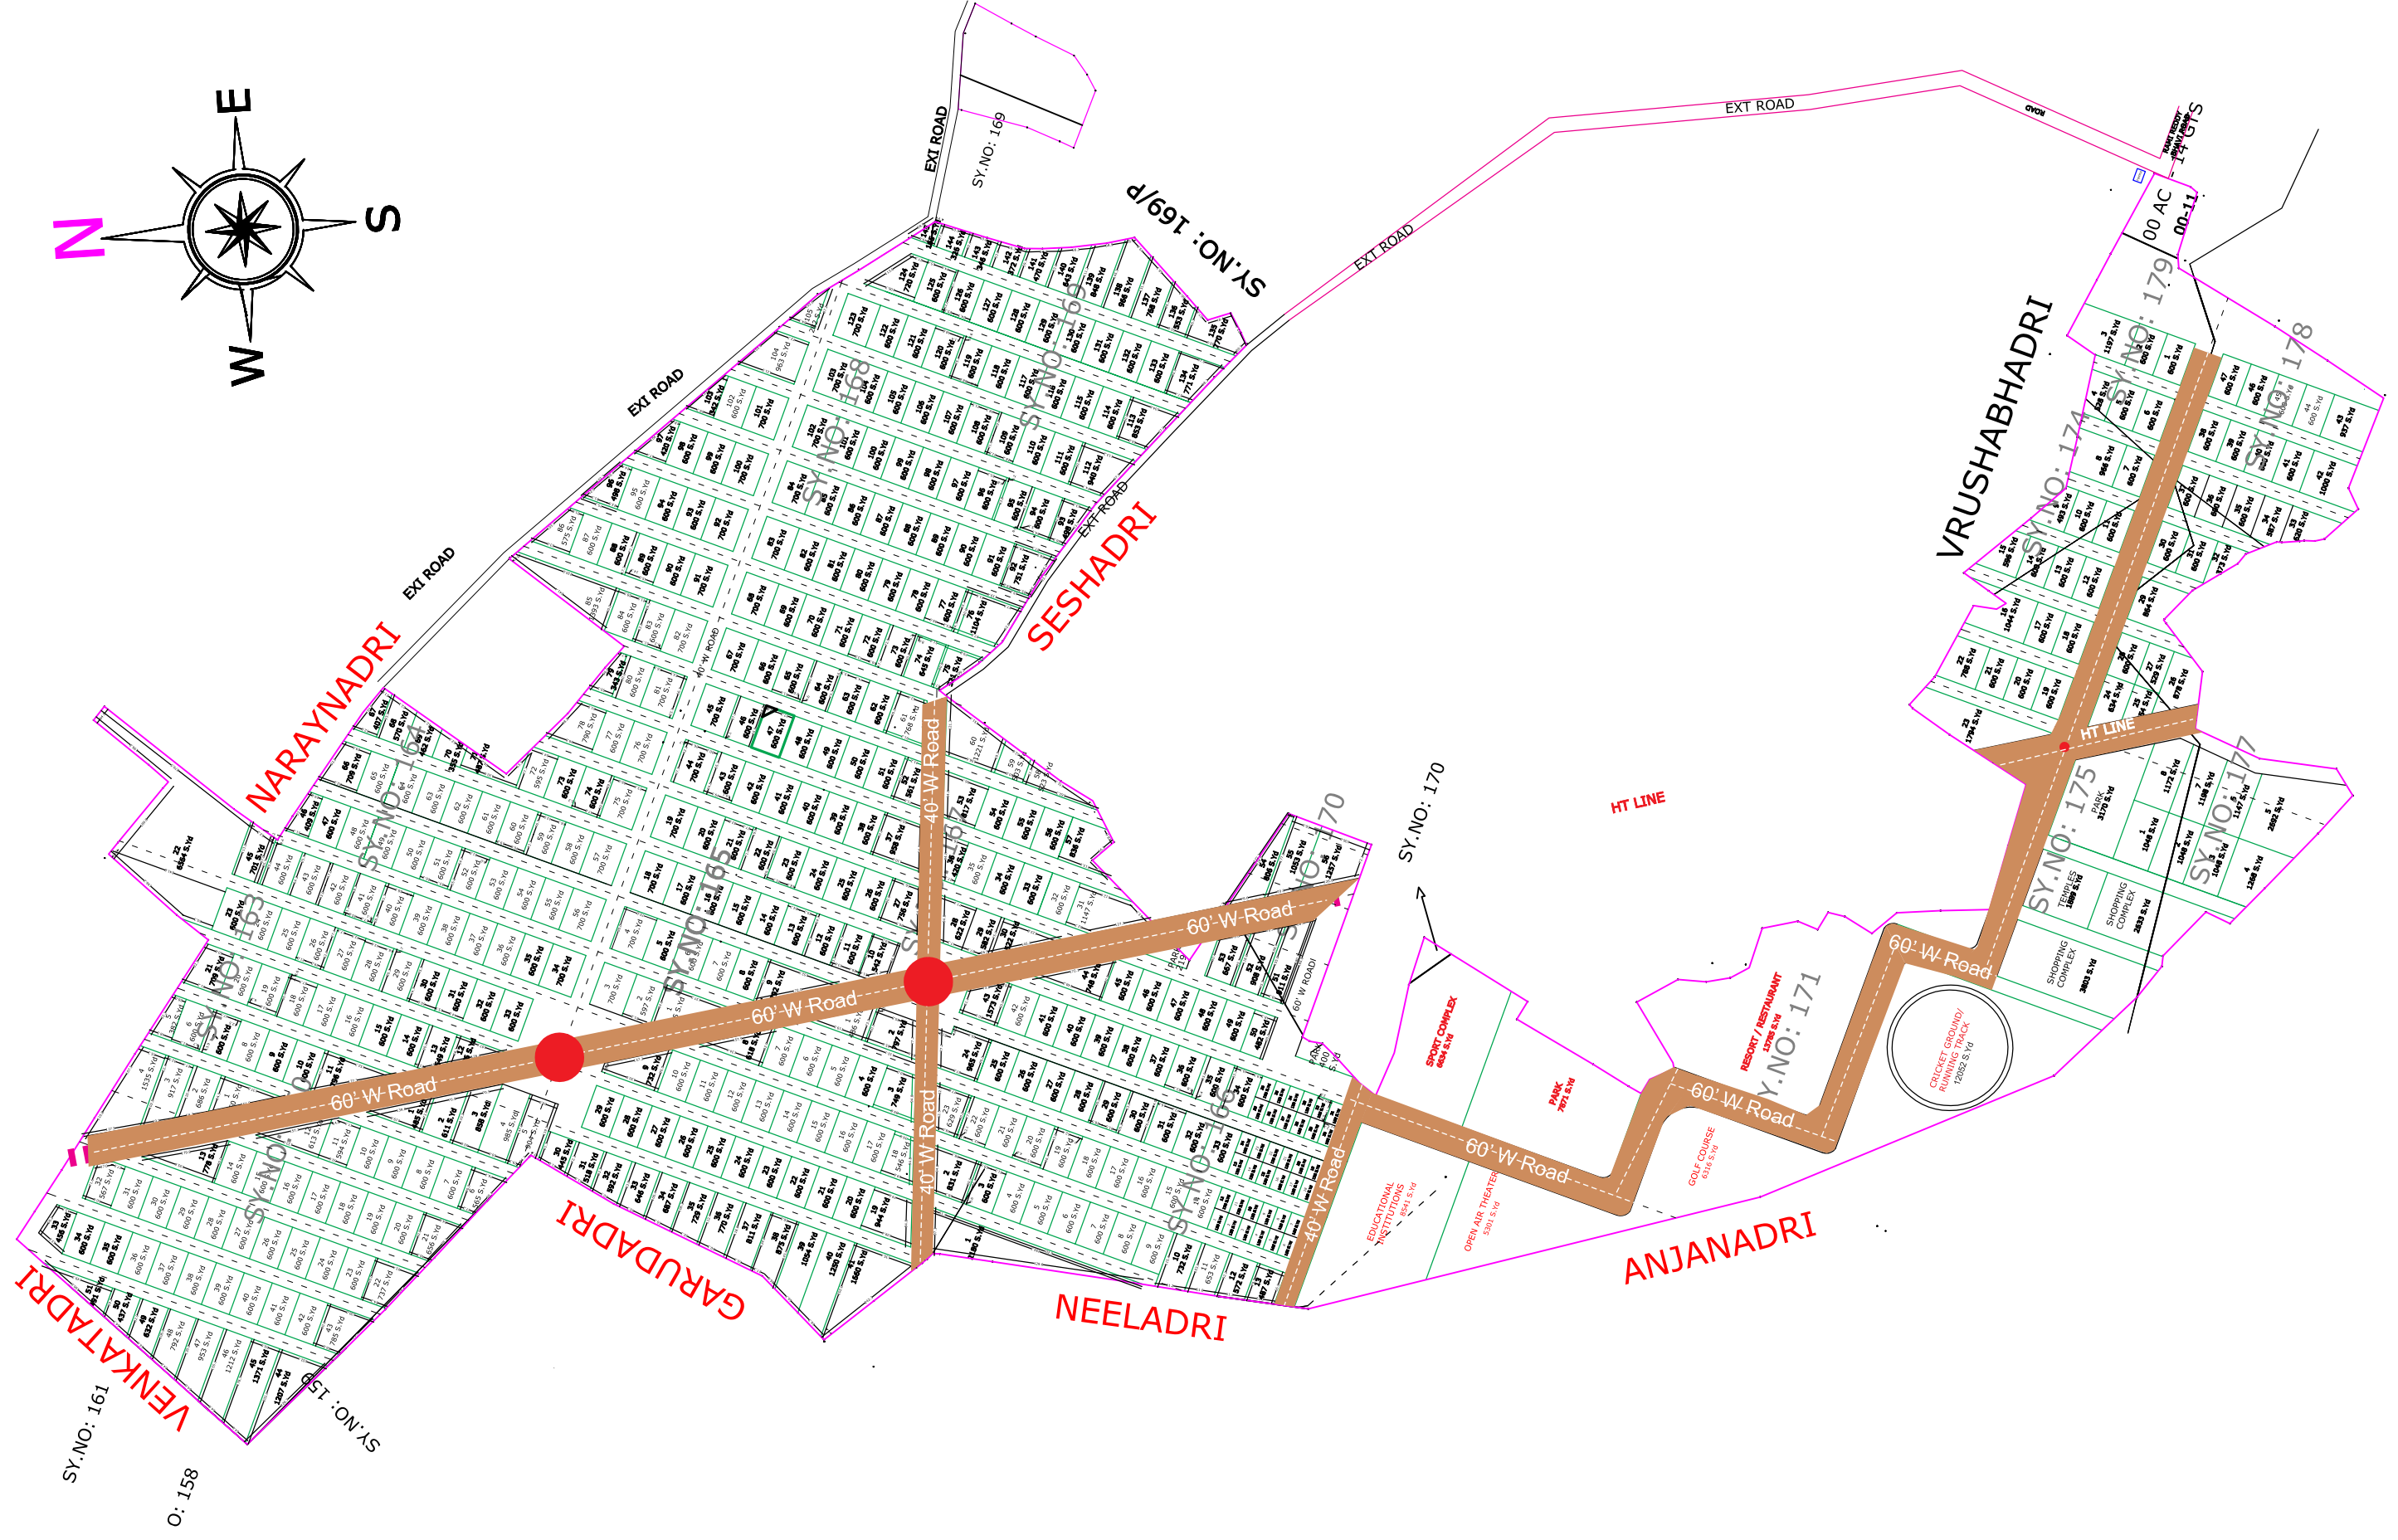

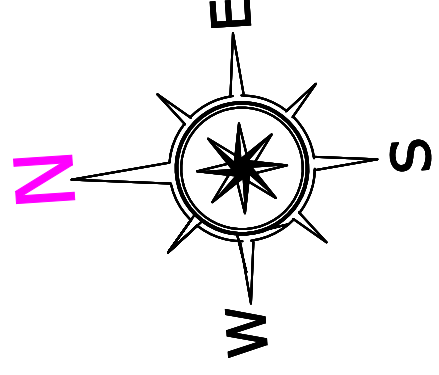

Avenue plantation

Ornamental plants along 60/ 40 / 30 feet wide roads connecting each plot and amenities.

In the lap of nature

The area is in peaceful location surrounded by natural vegetation full of greenery with natural slopes giving it unique picturesque view.

Close to City

The project site is 8 KM from Dabilpur MMTS railway station,
9 KM from Gummadidala Mandal Headquarters and
20 minutes drive from Medchal District Headquarters.

Assured Appreciation

The investment is expected to double in three years keeping in
view reasonable price, the nearness to the Mandal
and District Headquarters.

Location

The Project site is located at 34 KMs distance from KPHB off
Balanagar to Narsapur / Medak state highway.
It is 19 KMs from Exit 5 as well as Exit 6 of ORR.

Worry free investment

Twenty four by seven (24x7) security will be provided for the
Project Site and plants will be maintained free of cost for first
year of plantation.
